

## Cancellation and No - Show Policy

---

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment 48 hours in advance, you may be preventing post operation, acute, or other patients who are on our cancellations list from getting much needed treatment.

If you do not cancel 48 hours in advance or No - Show for your appointment, you will be charged a \$50 fee, and future appointments may be cancelled.

Thank you for being considerate in this manner.

*I understand and agree to these terms.*
